# TO THE 157TH INTAKE OF PAUL ROOSERS

I would first of all like to congratulate you on your acceptance to Paul Roos Gymnasium. It is an outstanding achievement on its own to be accepted into such a prestigious school as this. In just a matter of time, you will walk into a new chapter of your life, the first of a completely different story. This will be the part of your life story where you meet 1300 new boys, all wearing the maroon blazer with pride, and where you will come to accept them as your brothers with a bond that is unbreakable.

Paul Roos Gimnasium bied vir alle leerders talle geleenthede om op die sportveld, kultureel en akademies tot die beste van hul vermoë te presteer. Gryp elke geleentheid met beide hande en met moed aan. Paul Roos is vir jou 'n tuiste weg van die huis af, 'n plek wat uitgebreide verhoudings bied en geleenthede waar jy op soveel verskillende maniere ontwikkel kan word. Die merkwaardige ding van ons skool is dat jy 'n plek sal vind waar jy voel jy inpas en jy jou passies kan uitleef, maak nie saak wat jy doen nie. Die personeel en afrigters hier by Paul Roos Gimnasium is van die hoogste standaard. Hulle dien as mentors, motiveerders en raadgewers en stel werklik belang in jou lewe as 'n jong Paul Rooser.

The Student Council's motto for next year is "Reset, Revive, Return". After the past two years with the devastating effects of Covid-19 on our school, it is important for schools to make sure that everyone still experiences a feeling of belonging. The time to reset and let The Roos return is now. It is in our hands to ensure that we revive what is precious to us, to restore all the small things that makes us who we are and to ensure that the feeling of belonging and pride is instilled in everyone. It will take a team effort and we will have to start from scratch. It comes down to you...

Ons is baie opgewonde oor die nuwe talent wat in 2022 by Paul Roos Gimnasium aansluit en ons hoop jy is net so opgewonde om deel van die Paul Roos-familie te word.

I hope that you enjoy the holiday with your friends and family. Rest well and when the new year comes, be ready for an unforgettable journey.

We look forward to meeting you!

**Semper Splendidior**

**PRG Sanggroep:** Die PRG Sanggroep is 'n groep van 20-25 van die beste senior (gr 10-12) sangers in die koor. Hulle sing meer gereeld en by 'n verskeidenheid van geleenthede en sing meer uitdagende werke.

**Drumline:** The PRG drum core consists of approximately 12 learners that play a variety of drums. Together they produce a rhythmic festival of sound that provides entertainment at sporting events. They also compete in local Eisteddfods.

**Debat:** Afrikaans debat by Paul Roos neem verskeie formate aan afhangesende van die kompetisie waaraan deelgeneem word. ATKV-debat en Dink-of-Sink is die twee groot kompetisies waaraan deelgeneem word, maar daar is verskeie prettige informele geleenthede om jou debatsvermoëns te kom beoefen.

**Afrikaans Redenaars:** As jy oortuigend kan praat of jy wil leer hoe om mense te oorreed, dan is redenaars 'n goeie beginpunt. PRG neem jaarliks aan redenaarskompetisies deel, met beide voorbereide en onvoorbereide toesprake. Hierdie kompetisies sluit Radikale Redenaars, Oppie Tong Af, ATKV-Redenaars en Podiumpret in.

**English debating:** English-speaking learners are welcome to come and join a debating team. With a formal Boland debating league, you quickly learn to think on your feet and respond eloquently.

**English Public Speaking:** If you prefer a more formal presentation, consider entering one of the many public speaking opportunities including Toastmasters, Rotary oratory competitions and the like.

**eSport:** At this point League of Legends and Rocket league will be available to the Gr. 8s and CSGO for the seniors. The interest in other titles like FIFA, DOTA2 or Clash Royal will be investigated. The Paul Roos eSport team won the national league again this year for the 4th consecutive year.

**Stringendo strykkorke:** Hierdie is 'n Bloemhof-gebaseerde orkes. Alle Paul Roos leerders wat 'n strykinstrument (viool, tjello, ens.) speel word uitgenooi om in hierdie orkes te speel.

Leerders word uitgenooi om in alle aspekte van 'n toneelproduksie te kom deelneem – beligting, klank, verhoogbestuur en toneelspel.

**Young Virtuosi:** Die Young Virtuosi Projek nader kinders van omliggende laerskole en bied vir hul formele trompet- en tromboonlesse aan. Op hierdie manier skep ons 'n voedingsbron vir Paul Roos se orkes en berei toekomstige Paul Roos leerders voor vir die hoë musiek standaard van die skool.

**Paul Roos Rock Band/s:** If you are an avid guitar, bass guitar, drums, keyboard player, or enjoy singing in front of people, consider joining a PRG rock band. Each band plays their own repertoire and is mentored by a music teacher.

**Publikasies:** As jy 'n loopbaan in joernalistiek oorweeg, of sommer net graag skryf en 'n lewendige bealngstelling in alles het, is redaksielid van Semper en Concipio 'n goeie beginpunt. Jy kan as verslaggewer en/of fotograaf al by die span aansluit.

**Videoproduksie- en filmklub:** Die klub behartig die maak van die kortfilm vir die Nasionale Filmit-kompetisie asook die skep van addisionele skoolverwante beeldmateriaal. ## BROTHERHOOD ACTIVITIES BACKGROUND INFORMATION

**JAM (Jesus And Me):** The Christian society of PRG, strives to create a platform for Paul Roosers to live out and grow in their faith. Learners from all grades gather every Tuesday at first break for testimonies, teaching and fellowship. JAM also hosts various camps, outreaches and hikes throughout the year.

**Mentorprogram:** Taking on grade 8 can be both challenging and exciting. Om te verseker dat elke graad 8-leerder die meeste uit Paul Roos Gimnasium kan put, neem om en by 120 matriekleeders die verantwoordelikheid as mentors aan. The mentor programme grants the opportunity for the necessary life skills to be transferred through this Paul Roos Brotherhood. Mentors insieer geleentheid vir gesprek en wakker deelname by die skool aan. 'n Voorbeeld hiervan is Woensdae eerstepouse wat bekend staan as Brotherhood break.

**Societas:** As the community outreach programme at PRG, Societas aims to encourage learners to become contributing members of their societies. Programmes and once-off projects focus on improving the lives of our community members, but also instilling a love and respect for our environment. Learners can take part in weekly programmes that take place after school, or they can keep their eyes out for the once-off projects that are run throughout the year. Through Societas, learners are able to earn service hours, which may lead to earning the highly sought-after Superman badge.
