### **RE Splendidior Stock**

We would like to apologise for the PRG stock that has sold out. During the pandemic, the demand for the stock was low, but sales have increased drastically and demand has tripled.

The tracksuit order is our main priority and the factory is working overtime to have orders ready by Tuesday afternoon (5 April).

The rugby jerseys have been restocked and additional rugby socks and sports bags are expected by Monday, 4 April.

We apologise for any inconvenience.

Kind regards  
Charl Wilson (Buyer)
