

Dear Filmit Festival Applicant,

The Filmit Team would like to thank you for submitting your film pitch for the second annual Filmit Festival. We are very excited to venture into the next phase of Filmit 2022.

Our judges are Richard Truter from Bang-on-films, Zandré Coetzer and Scharl van der Merwe from Nagvlug Films. They need a little more time to work through all the pitches and make a discerning and final decision.

We will only be able to announce who the finalists are on Wednesday 3 May 2022 at 5pm.

The announcement will be communicated via e-mail to all applicants, our social media pages and on our official web page (www.paulroos.co.za/filmit).

On 3 May we will also be announcing the official date(s) of our mentoring programme as well as who will be acting as our mentors. We'd like to invite you to have a look at our new video on making music videos, as presented by Johannes Pieter Nel. This will be uploaded and made available on our YouTube Channel on the 3rd of May as well. Subscribe to our YouTube channel here: [Click here](#)

We look forward to connecting with the finalists at our Shop Talk Sessions.

Kind regards,

The Filmit Team
