Geluk aan al ons akademiese-, kulturele- en sportpryswenners.

Geluk aan almal wat hulle beste gelewer het in die eksamen. Ek glo julle sal bly wees oor julle uitslae wanneer julle julle rapporte ontvang. I want to encourage everyone, especially those of you who did not fare too well, to tackle your work next year with earnest and renewed diligence. Met die nuwe evalueringstelsel word akademiese druk nie net gedurende die eksamen nie, maar regdeur die jaar beleef as gevolg van skoolgerigte assessering.

Term 1 for learners starts on WEDNESDAY, 18 January. Ons begin met Week 1 (Dag 3) op die rooster. Netheid- en skooldraginspeksie sal op die eerste dag van die kwartaal plaasvind. Ons versoek ouers om te sorg dat u seun(s) na die vakansie reg is hiervoor. Hare moet op die eerste skooldag volgens die skoolreëls wees. Ons wil graag trots wees op ons Paul Roos-manne en dus maak ons staat op u samewerking.

TWEEDEHANDSE KLERE
Daar is jaarliks 'n groter behoefte aan tweedehandse klere - spesifiek sportklere. Indien dit klere is wat nog bruikbaar is, m.a.w. wat nog deel vorm van die huidige kleredrag, nooi ons u om dit aan die skool te skenk.

We say farewell to the following teachers: Mnr. J.P. Vermeulen na 39 jaar diens, mnr. Riaan Laas na 29 en ‘n half jaar diens, mnr. Jacques Vermooten, mev. Wikje Terblanche, mev. Cara Brand en mev. Ansophi Mouton. Mev. Doreen Anthony wat in die afrolkamer werksaam was, verlaat ons ook.

We welcome the following staff members to Paul Roos Gymnasium in 2023:
Mr Drikus Hoffman (Physical Sciences and Natural Sciences), Mr Deon Botes (Head of Cricket), Mr Jandré de la Harpe (EGD), mev. Lizerie van Rooyen (Wiskunde), Ms Theresa Viljoen (Mathematics), Mr Zander Labuschagne (Technology and EGD), Mrs Emsie de Lange (LOR), mev. Lelani Cloete (Opvoedkundige Sielkundige – Privaatpraktyk) and Ms Björn Walters (Temporary Music).

Ouers moet asseblief nie dokters- of tandartsafsprake gedurende skooltyd reël nie. Ons is bewus daarvan dat dit soms onvermydelik is en ons sal begrip hê vir noodgevalle.

The general opinion is that some learners stay at home too easily when they are not really ill. With the new education system, it is difficult for them to catch up on work that has been missed.

Ons wil graag me. Martli Greyvenstein, redakteur van die 2022-jaarblad, gelukwens. Sy het voorwaar ’n meesterstuk gelewer. Ons vertrou dat alle ouers en leerders dit sal geniet om die jaarboek deur te blaai en hoogtepunte van 2022 te bestudeer.

Ek wil u versoek om asseblief die jaarverslag, soos vervat in die jaarblad, te lees. Dankie aan almal vir hul bydrae tot die suksesse van Paul Roos.

SEMPER SPLENDIDIOR

VANUIT DIE REKTORSKANTOOR

Dankie aan die Paul Roosers vir hul bydraes op verskeie terreine.
Dankie aan die Paul Roos-ouers vir u ondersteuning en vertroue in ons.

I wish you all a blessed and happy Festive Season and a pleasant time relaxing with your families. May the true message of Christmas - Peace on Earth - reign in our hearts.

IMPORTANT INFORMATION

Assessment Accommodations
Assessment accommodations are granted to learners with special educational needs (LSEN) in accordance with departmental policy. Special needs include: neurological disorders; auditory and visual impairments; physical, learning, emotional and behavioural disabilities.

Please note that the ability to complete an assignment timeously and independently is an essential skill for tertiary study or entering the job market and for this reason great care must be given in the granting of an accommodation and specifically additional time for assessment.
A learner is granted an assessment accommodation in order to obtain the most accurate reflection of his knowledge, potential and skills. The assessment standard may never be compromised and the learner with special needs may never be advantaged.

The pre-supposition of the policy of the WCED is that the process is initiated by the school on the grounds of needs/problems that have materialised in the classroom/general school context. Parents are advised to contact the head of Learner Support (Mrs Emsie de Lange) for related matters.

According to the school's policy, all Grade 11 requests must reach the chair of the SBST before 15 March 2023. All requests for Grade 10 must be in by 30 September 2023. No applications for Grade 11 of 2023 may be processed after 31 March 2023. No applications for assessment accommodations may be made for Grade 12's in their Grade 12 year, as the process is finalised in Grade 11.

JSE INVESTMENT COMPETITION

Paul Roos has entered 34 Economics learners to participate in the JSE Investment challenge which is a game that aims to teach South African learners and students about investing on the JSE and the larger role that such investments play in the country's economy. The Challenge helps those participating, learn about the fundamentals of investment strategy and encourages them to research and strategise issues surrounding the trading of JSE-listed shares.

Participants test their share-trading skills through an ongoing annual simulated "ghost trading" programme. Each team is given an imaginary sum of R1 000 000 to invest in JSE-listed shares. Their performance is tracked and measured in a competition against other teams taking part in the Challenge. The top performers win fantastic prizes. The Challenge has been creating interest in the dynamic environment of the stock market for more than 42 years.

Werner Prinsloo from X-Chequer Fund Management conducted four investment-based workshops for the participating learners to gain understanding about the markets and strategies which could be used in the game. We are excited to broaden the investment community in Paul Roos.

PAUL ROOS AMP

Paul Roos Gymnasium has partnered with Amplified to appoint youth coaches as part of the teaching staff with the vision of building a healthy environment for the holistic growth of learners. The posts are sponsored by Amplified. Amplified is an NGO that aims to mentor, support, guide and influence the youth in their emotional, spiritual, and intellectual development. They are also in partnership with several other schools in and around Stellenbosch such as Bloemhof and Cloetesville. The role of a youth coach on an individual level is to act as a role model for learners, together with building meaningful relationships with learners to give strong guidance. Furthermore, on a community level, the youth coaches aid in building a meaningful learner support structure in schools. Their day-to-day activities include teaching, hostel duties, leading mentorship groups, counselling, and coaching. The partnership between Paul Roos Gymnasium and Amplified has been very successful. The two youth coaches who were appointed in 2020, have become full-time teachers and another two newly-appointed youth coaches joined the Paul Roos family in 2022, namely **David Rosselli** and **Petrus du Plessis**. We are looking forward to reaching new heights with this relationship.

BLITSBREIN-WENNER

Justin Cowley het nie net die eerste plek in die Wes-Kaap behaal nie, maar is ook bekroon as die Nasionale wenner in graad 12.
Justin neem elke jaar aan Blitsbrein Junior deel en was nog altyd onder die top 4 in die provinsie. Hy is ’n kranige koerantleser, nuusvolger en stel eenvoudig belang in die wêreld om hom.
Paul Roos is voorwaar trots op hierdie spesiale jong man wat nie net vir homself nie, maar ook vir Paul Roos R10 000 losgeslaan het.

eSport

2022 eSport did not disappoint. The PRG A Rocket League team took top honours winning the biggest High school eSports League. With the team's unbeaten performance and only losing one match last year, the final against Curro Hazeldean, the starting team was chosen to represent teams for the Sub-Saharan Africa Regional Events (Professional rocket league tournament). Team captain Ian "Blade" Conradie and Ruan "T3ACHER1" Viljoen both played for Luppo Rosso. Luppo Rosso performed very well and placed just out of the top 8 for the Sub-Saharan Africa Regional Events. Hugo "ZinfernoZ" Seraqui De Buttafoco played for TKO and performed well for his first time in the tournament. With Ian "Blade" Conradie's performance over the past two years, he was selected to try out for some Collegiate Rocket League teams. We are rooting for him, as we hope to see him represent PRG in an American University eSport team. Mr Stoltz was also selected on the South African Schools' eSport Association Executive Committee (SASEA). SASEA has grown with more than 50 schools competing this year. The other eSport titles at PRG are all performing well with good placements by the Rocket League B, CS:GO A, CS:GO B, League of Legends A and Valorant A teams. eSport at Paul Roos Gymnasium is growing from strength to strength.

A MORE INCLUSIVE SPONSOR-A-PAUL-ROOSER INITIATIVE

Paul Roos Gymnasium's Brand Management Team (Luna Paige and Nadine le Roux) would like to introduce a new Sponsor-a-Paul-Rooser initiative. Many know about PRG's need for fundraising to cover income losses due to compulsory and much needed school fee exemptions. Over the years a selection of individuals, groups and corporates have been supporting PRG in this regard.

PRG se fondswerwingspan wil die net wyer gooi deur oudleerders en ouers uit te nooi om kleiner bedrae op 'n maandelikse basis aan PRG te skenk. In die nuwejaar sal nuwe en bestaande ouers aangemoedig word om 'n maandelikse aftrekorder in werking te stel waarin hulle so min as R100 tot so veel as R500 per maand tot die Borg-'n-Paul-Rooser Fonds kan wend.

Considering the well-known saying "Many small drops can fill a pot" - PRG would like to raise at least one learner's school fees per month. This means we need approximately 100 monthly debit orders of R500. In light of the spirit of goodwill associated with the Festive Season which is around the corner - we would like to invite our 2022 parents to take the lead in this initiative.

Deel gerus dié advertensie. Skandeer die QR-kode met u kamera, lees meer oor die Borg-'n-Paul-Rooser projek en vind die skool se bankbesonderhede om u aftrekorder in werking te stel. Ons waardeer u ondersteuning opreg.

KLUB 1000

KLUB1000 het ‘n besondere goeie jaar beleef. Ons wil elke lid en ondersteuner baie dankie sê vir u lojale ondersteuning. Ons ledetal het mooi gegroei en ons kon weer soos voor die COVID-pandemie na sportwedstryde gaan kyk by Markötter en daarna saam kuier en na lewendige musiek luister .

Die jaarlikse potjiekoskompetisie was weereens ‘n groot sukses met 50 spanne wat ingeskryf het en meer as 250 ouers wat die geleentheid bygewoon het. Op Saterdag, 4 Maart 2023 vind die volgende Potjiekosfees plaas.

KLUB1000 closed the year with the Pinotage Wine Festival which took place in October. 26 wine farms participated and there were 5 food trucks. Guests were entertained by several well-known artists including Valiant Swart, Elvis Blue, Koos Kombuis, 1925-Band, Francois Haasbroek, Darren Derman and also PRG's own Jazz band. We plan to host a similar festival again next year. Please keep Saturday 13 May 2023 open on your calendar.

Ons neem met leedwese afskeid van een van ons komiteelede, mnr. Adriaan van Hoogstraaten. Adriaan het ‘n ongelooflike bydrae gelewer tot KLUB1000 en met die verbeteringe en aanbouings by Paul Roos Gimnasium. Hy het ook die beligting by die wapen voor die Japie Krigesaal geborg. KLUB1000 verwelkom sy vrou, Francoisnette, wat sy plek gaan vul op die komitee, ons sien uit na jou besondere bydrae.
