Paarl Boys' High vs  
Paul Roos Gymnasium

26 May 2023

Aan al ons besoekers van die Eikestad: Die Hoër Jongenskool heet u hartlik welkom! Ons hoop u gaan werklik die tydjie saam met ons geniet hier in die pragtige Paarl-natuurskoon!

Dis altyd 'n voorreg om met Paul Roos te kompeteer, aangesien 'n mens seker is dat sport in 'n gees van ware sportmanskap en kameraderie gespeel word. Kontak soos hierdie is besonder spesiaal, en moet ten sterkste bewaar word, aangesien beide skole 'n beduidende aantal waardes en tradisies deel.

Hockey remains a game where you can run, but you can't hide. The winning team is the one able to play at breakneck pace, while displaying the highest level of skills, and maintaining it to the end. A former colleague of mine, and well-known hockey coach, always said: "It takes balls to play hockey!" (I know the wordplay sounds naughty, but I think we all know what he meant!) Maybe more to the point might be the great Wayne Gretzy's famous quote: "You miss a 100% of the shots you don't take." No further words needed...

A special word of thanks should go to the PBHS Hockey staff, all the referees, coaches and medical personnel. Without them, an event of this magnitude would be quite impossible.

Dit is ook my wens dat elke speler die dag sal geniet en sy potensiaal ten volle sal verwesenlik

Voorspoed!
