

18 – 19 August 2023

Message from Mr. Braam van Wyk, Headmaster: Grey College

The day of interschools has arrived, a day when we celebrate deep-rooted bonds and celebrate our love of sport and friendship. It is a privilege to welcome our friends from Paul Roos for the first time since 2018 and to share the joy of competition on a field of sportsmanship and honesty.

May we encourage each other in spirit and respect, not only as competitors, but as worthy representatives of our schools. Let us carry out the values of endurance, transparency and cooperation and let them be reflected in this joint tradition.

Let the cheers and enthusiasm of our supporters fill the air and inspire our athletes to give their best. May this day be a reminder of the power of sport to unite us and give depth to our school spirit. In this field of competition, let us remember that we are all part of a larger community, and may we find joy in the participation and the journey itself. May we welcome our friends from Paul Roos Gymnasium and may interschools 2023 be a day of sportsmanship and true camaraderie.

May the best team win!

Die dag van interskole het aangebreek, 'n dag waarop ons diep gewortelde bande vier en ons liefde vir sport en vriendskap vier. Dit is 'n voorreg om ons vriende van Paul Roos te verwelkom vir die eerste keer sedert 2018 en om die vreugde van mededinging op 'n veld van sportmanskap en eerlikheid te deel.

Mag ons in geesdrif en respek mekaar aanspoor en aanmoedig, nie net as mededingers nie, maar as waardige verteenwoordigers van ons skole. Laat ons die waardes van uithouvermoë, deursigtigheid en samewerking uitdra en in hierdie gesamentlike tradisie laat weerspieël. Laat die gejuig en geesdrif van ons ondersteuners die lug vul en ons atlete inspireer om hul beste te gee. Mag hierdie dag 'n herinnering wees aan die krag van sport om ons te verenig en diepte te gee aan ons skool gees.

Op hierdie terrein van kompetisie, laat ons onthou dat ons almal deel is van 'n groter gemeenskap, en mag ons die vreugde vind in die deelname en die reis self. Mag ons ons vriende van Paul Roos Gimnasium welkom heet, en mag interskole 2023 'n dag wees van sportmangees en ware kameraadskap.

Mag die beste span wen!

Message from Bonga Sebesho, Head of Brand Experience at FNB

For 21 years, FNB has helped young talented players by giving them the opportunity to hone and develop their skills with FNB Classic Clashes. Through this platform, promising youngsters can progress to university level, where they could participate in the FNB Varsity Cup and Varsity Netball; further building on their confidence and giving them the opportunity to develop to their full potential. Perhaps even reaching the coveted Springboks team!

This is what we mean when we say that our objective is to grow talent “from grassroots to greatness”. This demonstrates how young talent can be unearthed, coached to be the best and ultimately lead a nation to success.

The Bank’s commitment is to always create opportunities to Help, consistently reimagining help not only for our clients, but also for players, fans and their families. We continue to invest in sport to empower and advocate for a healthy lifestyle among the youth.

This year, we also present the new FNB logo for the first time in FNB Classic Clashes. This logo represents the transition to helping customers beyond banking into lifestyle and business solutions, along with a growing list of new ways to enable our customers in a new world. We look forward to bringing this energy into FNB Classic Clashes, starting with the ability this year to view live streams of all the matches on the Supersport Schools app.

FNB wishes all the participating schools and wider communities the best of luck for 2023 season and we thank every player, coach, institution, and spectator for the opportunity to be part of your journey.

Bonga Sebesho
