Dear 2024 Grade 8 Learners and Parents,

Learner Support:

As Head of Learner Support, I would like to direct your attention to our website, where you can find information about our learner support services. It is essential that parents promptly bring to our attention any academic or emotional issues their children may be experiencing.

Academic Accommodations:

If your child makes use of any accommodations during tests and/or exams, it is crucial that you notify me before the start of the 2024 academic program. Additionally, I will need a copy of their psychological evaluation report and any other relevant information regarding their accommodations.

We will also be hosting an Accommodation Parent Evening during the first term to address any other questions you may have regarding accommodations.

Tutor Program:

Our Grade 11 and 12 students are part of our tutor program. They will be available every afternoon in Mrs. E de Lange's class room (15A) from 14:30 to 15:30 to assist students with any subject. This is not a formal extra class but rather an opportunity for one-on-one sessions with a senior student to help with any topics they may be struggling with. This is a golden opportunity to address any small academic challenges before they become significant obstacles.

Please feel free to contact me at any time regarding your child's academic and emotional support needs. We are here to help.

We look forward to meeting all of you and hope that you will soon feel like a part of this amazing school community.

Kind regards

Mrs. Emsie de Lange

Geagte Graad 8 Leerders en Ouers van 2024,

As hoof van Leerder Ondersteuning wil ek graag julle aandag vestig op ons webwerf, waar julle inligting kan bekom oor ons leerder-ondersteuningsdienste. Dit is noodsaaklik dat ouers enige akademiese of emosionele kwessies wat hulle kinders mag ervaar, onmiddellik onder ons aandag bring.

Akademiese Akkommodasie:

Indien jou kind enige akkommodasie gebruik tydens toetse en/of eksamens, is dit van uiterste belang dat u my in kennis stel voor die begin van die akademiese jaar van 2024. Ek sal ook 'n afskrif van hul psigologiese evalueringsverslag en enige ander relevante inligting aangaande hul akkommodasie benodig.

Daar sal ook 'n Oueraand vir die bespreking van akkommodasie gedurende die eerste kwartaal aangebied word. Enige navrae kan op die aand bespreek word.

Tutorprogram:

Ons Graad 11- en 12-leerders maak deel van ons tutorprogram uit. Hulle sal elke middag beskikbaar wees in Mev E de Lange (klaskamer 15A) vanaf 14:30 tot 15:30 om studente met enige vak verwante vrae te help. Dit is nie 'n formele ekstra klas nie, maar eerder 'n geleentheid vir een-op-een-sessies met 'n senior leerder om met enige onderwerpe waar hulle mee sukkel te help. Dit is 'n gulde geleentheid om enige klein akademiese uitdagings aan te spreek voordat hulle belangrike hindernisse word.

Moenie huiwer om enige tyd met my in verbinding te tree aangaande jou kind se akademiese en emosionele ondersteunings behoeftes nie. Ons is hier om te help.

Ons sien daarna uit om julle almal te ontmoet en hoop dat julle binnekort deel van hierdie wonderlike skoolgemeenskap sal voel.

Met vriendelike groete,

Mev Emsie de Lange
