Geagte Ouers en voornemende PRIMA-leerder

Hartlik welkom by die Prima-familie

Dit is n opwindende nuwe hoofstuk in beide u en u seun se lewe. Ons sien dit as 'n groot voorreg om deel te vorm hiervan en wens vir u net goeie herinneringe en waardevolle lesse, op die pad vorentoe, toe. Die leerders hier by PRIMA het 'n diep liefde vir die skool en die koshuis. Ons is seker u seun sal vinnig ook hierdie liefde ontwikkel en sal dit vir die res van sy lewe koester.

Our dedicated grade and HK committee are passionate about fostering not only academic, sporting and cultural excellence, but also the holistic development of each boy in turning your sons into men of Paul Roos. PRIMA hostel consists of boys who excel in all areas, as well as holding great value in conducting themselves as true gentlemen and we assure you that through hard work, your son will find a home in PRIMA.

We understand the apprehension that comes with new beginnings, but I encourage you to embrace this opportunity for growth and discovery. Our school's values of Pride, Respect, Gentlemanship, Humility, Excellence, Integrity and Responsibility are the corner stones of a thriving hostel that prioritizes the well-being and success of every boy who calls it home.

Thank you for entrusting us with the privilege of shaping the future of your sons and being able to form part of their individual journeys. For the 92 years that PRIMA has stood, it has served more than just a building made of bricks and concrete, but a home for the boys of Paul Roos and when your son comes to the end of his Prima journey, we can assure you that he will walk out as a hardworking and respectful man.

Ons graad 12-mentors sien uit om u in Januarie van 2024 te verwelkom en die pad vorentoe met u te begin stap. Geseënde Kersfees en nuwe jaar aan elkeen.

Semper Splendidior!
