## Hockey Chats

We have made smaller groups this week which allows us to really see the boys. Please stay patient if your son/you are in the wrong group, because of a summer sport or other commitments. After this week we will be able to place you better. Please trust the process or come speak to me to understand the process.

I am receiving a lot of emails and WhatsApp messages from parents. Learners must take ownership and either talk to myself, age group managers or once teams have been selected their team managers. Often we can sort out things with a 2 minute chat instead of a 5 page email.

**HOCKEY SEASON CAN FINALLY BEGIN!**

# ASTRO PROJECT

Things are progressing well on-site of the new facility. We'll keep you updated as things happen.

If you would like to be part of this momentous project, there are 3 ways to get involved: volunteer to serve on the parent committee and give of your time OR buy a block and have your sons name engraved on a special wall in the dugout:

<https://paulroos.co.za/astroproject/> OR make a donation by contacting Martli: [mgreyvenstein@paulroos.co.za](mailto:mgreyvenstein@paulroos.co.za) (donations qualify for Section 18A certificate.)
