Dear Parents

SKOOLVERJAARDAGFUNKSIE VIR LEERDERS

Ons leerdergetalle veroorsaak dat ons nie almal kan akkommodeer wat graag 'n danskaartjie wil koop nie.

Our aim this year was to allow more matrics to attend as last year the grade 10 learners were the majority. It is not fair to the grade 12 learners as it is their last one. Thus we decided to open it to them in the morning, the grade 11 learners at first break and the Grade 10 learners at second break. When Ms Finlay saw how quickly the tickets were selling out she sent it to the grade 10 learners before second break.

For context, last year we had 650 tickets that were sold over a period of five days. This year we had 800 tickets sold in 5 hours.

Ons het nie bogenoemde reaksie op kaartjieverkope verwag nie. Om die probleem aan te spreek het ons besluit om die formaat in die toekoms te verander.

Next year the grade 10 learners will not be invited to the birthday function. We will instead host a junior function for the Grade 8 - 10 learners in term 3. We will begin this tradition starting this year with a function in term 3.

I trust that you can see that these were unforeseen circumstances and that we will endeavour to accommodate all of the Paul Roos boys if possible.

André van Staden
