PAUL ROOS GYMNASIUM VS AFRIKAANSE HOËR SEUNSKOOL 20 – 21 MARCH 2026

Dear parents,

As you know, the big sports weekend against Affies will take place on the above-mentioned dates. We are all very excited to welcome our friends from Pretoria. This is the first time since 2007 that the two schools will compete against each other in an interschools event. This year, only the rugby and hockey teams will compete against one another, with the possibility that additional sports may be considered for the interschools in the future.

This interschools derby, as well as the interschools against Grey College in August, is only possible if PRG parents host the visiting boys over the weekend. Affies boys need to be hosted only on Friday night (20 March).

Host parents of the visitors are responsible for all their meals and accommodation from the time they arrive in Stellenbosch until they depart again.

Eah Affie boy will also receive a food pack upon arrival at the PRG Centre. Teams that are playing at the Maties Astro at Coetzenburg will receive their food packs there. Luggage can also be left at the PRG Centre for boys whose host parents will only be able to collect them later. Luggage can be stored at the PRG Centre until 20:30. Security will be arranged.

Affies will arrive at PRG in different groups. Most of the accommodation arrangements will take place at the PRG Centre. Some teams will be placed with hosts after their hockey matches at the Maties Astro. Hockey matches will already start at 11:00 on Friday, 20 March. Rugby matches will also begin on Friday afternoon. Please see the attached programme for further details.

Please see below when the various teams will be allocated to hosts, as well as the times for the rest of the weekend.

PRG boys must be dressed in step-outs when the hosting allocations take place.

Team managers will communicate with your sons regarding the number of boys need to host on Friday night (20 March).
