Beste Paul Roos-gemeenskap

In opvolg op ons skrywe in November 2025 rakende die Paul Roos Gimnasium Rhodes-beurs, wil ons u bedank vir u deurdagte terugvoer. Die hoë vlak van betrokkenheid en die ondersteuning van talle lede van ons uitgebreide gemeenskap word opreg waardeer en was onontbeerlik in die vorming van ons benadering.

We are pleased to inform you that the four partner schools and the Rhodes Trust have reached a formal agreement regarding the future of the scholarship. This resolution remains consistent with the core principles outlined in our previous communication in November.

Verwys asseblief na die gesamentlike aankondiging wat op Maandag 20 April deur die Rhodes-Trust en die betrokke skole uitgereik is. Die volledige verklaring kan via die volgende skakel besigtig word: <https://www.rhodeshouse.ox.ac.uk/pages/joint-statement-from-the-rhodes-trust-and-the-south-african-schools/>.

The agreement ensures the preservation of the Paul Roos Gymnasium Rhodes Scholarship while broadening the pool of eligible candidates. This adjustment has been carefully considered to address the Rhodes Trust's requirements and reflect the evolving educational landscape in South Africa. We believe this represents a constructive outcome that secures the future of the scholarship and meaningfully extends its reach. This means that alumni from Paul Roos Gymnasium, its partner schools and other schools within the stipulated extended area may apply for the revised scholarship in the 2026 award cycle.

Ons wil graag bevestig dat die kommunikasie wat deur die Oudstudentevereniging aan sy lede gestuur is in reaksie op die skikkingsooreenkoms, nie die amptelike standpunt of mening van die PRG-beheerliggaam of skoolbestuur verteenwoordig nie. Daardie skrywe weerspieël slegs die siening van 'n spesifieke belangegroep binne die PRG-alumni-gemeenskap.

We would like to express our gratitude to the community once again for its continued support throughout this process. This outcome is the result of a collaborative approach by all parties and reflects the constructive engagement shown by the broader community during these deliberations.

Vriendelike groete | Kind regards
